Dancefusion is a dance class that combines the modern moves of hip-hop with jazz funk & structured classical movements of jazz with just the right amount of pizzazz. Our goal is to encourage young minds and bodies not only to dance to music, but to evolve around music, to feel music, and to be creative with music. In this program your child will learn not only how to dance but also:

Grow Self Confidence

Learn Rhythm and Beat

Learn Different Styles of Dance

Learn How the Body Moves

Have Fun Exercising

Classes are taught by Brianna Roman (aka "Ms. M") who has been dancing in a variety of styles since 1993. She started teaching as an assistant instructor in 2000 and began teaching and choreographing for her own classes in 2005. Mrs. Roman is a certified group fitness instructor and is further certified in Basic First Aid, CPR and AED. For class, children will need to be dressed in comfortable, but not oversized, clothes. Jazz shoes are preferred for children to be able to dance to their fullest potential but are not a must. Classes will begin on Wednesday, September 14, 2011 and end with a recital on Wednesday, May 30, 2012.
