

AT MONTESSORI WORLD SCHOOL

Due to the enthusiastic responses every year, I am pleased to announce that I will be back to offer Soccer classes for 2012. My goal as a coach is to introduce the rules of soccer, techniques, management of the ball, and understanding the game from a player's point of view. At the same time soccer is a cardiovascular workout that will help the children develop their gross motor skill.

I am a certified Soccer Coach and also a member of the NSCAA (National Soccer Coaches Association of America) with more than 15 years of experience as semi-pro player and Current Head Coach of Youth Soccer Academy (Santos FC Soccer Academy). Classes are open to boys and girls from 3 to 7 years of age. Each class will be one hour a week with different age groups on different days, as outlined below.

Mondays: from 3:10pm to 4:10pm (3 to 4 years of age).
Tuesdays: from 3:10pm to 4:10pm (5 to 7 years of age).

Each session is broken into 30 minutes of individual training with the ball, and 30 minutes of games.

Classes will start on January 9th of 2012, and will end on May 29th, 2012. Registration fee cost for the season (January through end of May) are as followed:

*If your child is currently registered in Soccer the fee is \$275.00. If your child is not currently the fee is \$325.00 (included is a soccer jersey and soccer equipment for practices).

Registration due date is December 13th, 2011.

SOCCER IS THE NUMBER ONE SPORT PLAYED IN THE WORLD. IT WILL GIVE YOUR CHILD A LOT OF BENEFITS LIKE: self confidence, team work, leadership, great skills (techniques and tactics), fitness, and mental quickness. It is a very dynamic sport, which will help children develop a lot of skills.
