

DRAMA ENRICHMENT!!!

I believe in the transformative nature of the arts. It has been studied and proven that children who participate in Arts programs perform better in school and on tests. This course will draw from many forms of artistic expression that may include improvisation, prose, poetry, stage combat, and musical theater. Students will build confidence while learning valuable teamwork, memorization, and creative skills that will help in school and in the world-at-large! This class is geared towards 6 year olds and up.

Caroline deLima Rubb will lead the class for the second year. Mother of Banjo and Leo, she double-majored in Theater and Telecommunications at Indiana University. After graduation, she joined Actor's Equity and worked professionally in Boston for many years. She was certified in Early Childhood Education and spent four years teaching at the Britney Spears Camp for Performing Arts. Most recently, Caroline has taught drama and dance in afterschool programs around Orange County.
