

Increase Your Brain Power, learn Spanish!!!

Studies show that learning another language **can increase brain power**. The area of the brain which processes information - in the same way exercise builds muscles. International travel is also made easier and more pleasant when you learn the language.

Skills like problem solving, and dealing with abstract concepts, are increased when you study a foreign language.

In this enrichment program, children will learn Spanish through theatre and play. Games will include charades, detective, playing restaurant and more. Guaranteed fun!

Primary Camp 3 – 5 year olds.

(Wednesdays 11:45 – 12:30)

We will be learning Spanish through songs, games and theatre.

Elementary Camp 6 – 12 year olds

(Wednesdays 3:15 – 4:15)

We shall take a virtual cruise together and visit interesting countries where Spanish is their main language. In the process, we will learn a lot of geography and Spanish. We will learn how to order from their menu, learn about their culture and life style and make related crafts for our interactive board.
