Piano Lessons
at
Montessori World School

For children ages 6 years old and up
Academic year 2011-2012

Wednesday and Thursday afternoons, by appointment

Elementary-aged children are offered the opportunity to learn to play the piano. Lessons will focus on increasing students' skill level in the areas of pitch and rhythm, and developing proper technique (use of fingers, hands, arms), while learning a repertoire of piano pieces that can be shared with family and friends. All students are invited to participate in two recitals during the year, presented at a local church.

Private piano lessons are 45 minutes in length, one afternoon each week. Piano lessons will take place on Wednesdays and Thursdays when Montessori World School is in session, **beginning August 25, 2011 and concluding MAY 31, 2012**. In addition, students will receive **4** weeks of lessons during the summer months.

Piano lessons at Montessori World will be taught by Nancy Shackelford. Ms. Shackelford has a Master of Music degree, and is certified by American Montessori Society and Gordon Institute for Music Learning. She has been teaching piano since 1980.

Tuition of **\$1310** is for the entire academic year (payment plans are available), and **includes 4 lessons during the summer**. *Tuition pricing for siblings is available upon request.*
